My Scrip Wallet (instant access for people who have a smartphone)

you must have an online account set up to use this feature

1. Type www.myscripwallet.com into the browser

2. Sign in using the same username and password you established for your online account.

3. Begin Shopping the 100's of vendors that utilize this feature

There are 2 ways to shop on My Scrip Wallet

1. Click on **Purchase Scrip Now**
    *Browse the list of over 100 stores and services
    *If you see a vendor you are interested in click on it. For example Amazon
       *After you click you will be asked to type in your purchase amount, there is typically a set amount that you need to purchase within. Using Amazon you would need to purchase anywhere from $10.00-$500.00, in increments of $10.00.

    *After typing in your purchase amount click **add to cart**

    *If you are done shopping click **the cart button**, review your order, type in your **presto pay 4 digit pin** and hit **submit**

    *You will receive an email in minutes informing you that the funds are ready for use and you can choose to print out an e-card or use the online card sitting in the wallet portion of myscripwallet to pay electronically at the store

2. Click on **Reload Now**

    ***This portion can only be used if you have purchased a gift card from one of the vendors participating in the reload now program**

*Browse the list of over 100 vendors and if you already have purchased a card from them you click on that store, for example Speedway Gas.

*Register your card by giving it a name and entering the numbers on the back of the card

*Type in how much money you want to place on the card and click add to cart

*If you are done shopping click on the cart, enter the presto pay # and submit order

*The funds will be ready in 24 hours and you can use the gift card like you normally would
